Dear Ms. Coll,

It is with great pleasure I announce that you have been selected to receive a North County Incorporated 2008 Community Development Award. This award is given to individuals, organizations or businesses whose efforts positively benefited youth, residents, civic organizations, or others through selfless acts.

Each year at our Annual Breakfast, NCI bestows several awards to individuals and businesses that have shown an overwhelming commitment to the North County region in the areas of community service, business development, leadership and public service. A committee was selected to review submitted nominations for these prestigious honors. After receiving outstanding nominations from many individuals, this year's committee unanimously selected you. Congratulations!

The 31st Annual Breakfast is Friday, May 9th, 7:30 am at St. Louis Airport Marriott. We have arranged for two complimentary seats for you and a guest at this event. Your award will be presented at this time. You will need to notify us of your intent to attend and your guest's name. Please be sure to check in at the event registration desk with Mandee Adams.

Again, please accept our sincere congratulations on receiving this award. We look forward to seeing you on May 9th at our Annual Breakfast. Please call and RSVP at (314) 895-6241.

Best regards,

Rebecca Zoll
